

# ATTENTION: NEW BALLOT DESIGN

*Dear Friend,*

You may have heard that the ballot design has changed in New Jersey.

The June 10th Primary Election for Governor, New Jersey Assembly and County Sheriff will soon be upon us. Please find on the right a picture of the new ballot format marked with selections for candidates that I feel will best serve us. Please take a moment to study the new ballot format so that you are prepared to vote. Thank you.

*Sincerely,*
